We will take you cycling on roads where the pros have trained and raced, roads with spectacular views, and roads that will require your best. Off the bike, you'll enjoy classic Italian cuisine, which changes from region to region and even village to village, paired with local wine if you like.

GRAN FONDO
NATIONAL SERIES

GRAN FONDO
NATIONAL SERIES

The name says it all. A project created from ex-Pro cyclist Pippo Pozzato, who is born in this land where sporting, social and cultural dreams come true. The aim is transforming cycling into a unique and exciting long weekend of events for Pro cyclists, amateurs and Gravel lovers.

This is why, after the Gran Fondo PROSECCO, this is the NEW Nicola's favorite event: cycling, food and local culture are the main topic of this all-round fun experience.

The event includes 3 different Gran Fondo, and we won't miss a single one!

On thursday we will start our cycling trip climbing climb the legendary Monte Grappa! On the second day, we will then move to Pizzola sul Brenta, that runs along the banks of the Brenta river, where we will ride the last 40km of the SERENISSIMA GRAVEL and we will enjoy the lunch buffet, thanks to the VIP hospitality that will allow us to be in the front row for the arrival of the pro cyclists.

Third day, the main event! On saturday we will ride the Gran Fondo VENEtoGO that with its landscapes and refreshment points, perfectly combines the pleasure of cycling with the other pleasures, for the eyes and for the palate, that the territory can offer.

Sunday will be the Veneto Classic, international and unique race that brings in our land leading names in the cycling scene, will be ridden also from us in its last 50km.
